This product has been tested by FORCE Technology and complies with the electrical requirements of the above specified standards and “Terms and conditions for the EC VERIFIED programme for Generic and Coaxial Cabling”, DQP231006. The testing included measurement of NEXT with a compliant test plug and calculation of all the 14 test cases in both measurement directions. The product takes part in a maintenance of certification schedule, which implies that FORCE Technology performs a quality audit of the manufacturer’s production and QA sites. The maintenance testing of the product is performed on a sample basis once a year. This Compliance Statement has been revised.
